BISMARCK RENAISSANCE ZONE

The Renaissance Zone program provides tax exemptions and credits to both residents and businesses for revitalization and redevelopment activities within the Zone, as shown in the above map. The purpose of the Zone is to encourage reinvestment in downtown properties, which in turn strengthens the core of our community. The Renaissance Zone provides both property tax and income tax incentives to property and business owners who invest in qualified projects. There are five different types of Renaissance Zone projects: rehabilitation, purchase with major improvements, purchase only, lease, and historical preservation and renovation.
